

Part A:

Color Mixing

Choose a row and a column to color. Color the row yellow and color the column blue.

	1	2	3	4	5	6	7	8	9
1				Blue					
2				Blue					
3	Yellow	Yellow	Yellow	Green	Yellow	Yellow	Yellow	Yellow	Yellow
4				Blue					
5				Blue					
6				Blue					
7				Blue					
8				Blue					
9				Blue					

What particular row and column is the color of the square green?

Row 3, Column 4

Part B:

Box of Hearts

Choose and encircle a certain number of hearts. Draw them in the box below.

	<table border="1"><tr><td>2</td><td>3</td><td>4</td><td>5</td></tr></table>	2	3	4	5	
2	3	4	5			
	<table border="1"><tr><td>6</td><td>7</td><td>8</td><td>9</td></tr></table>	6	7	8	9	
6	7	8	9			

 
 

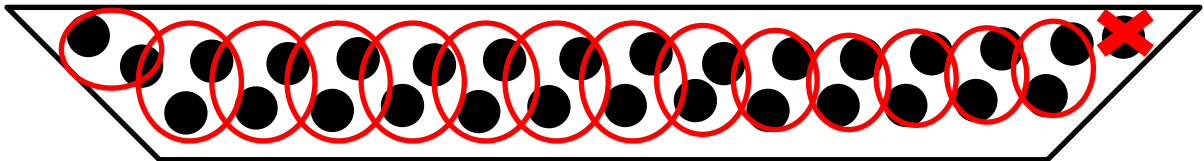

Part C:

The Boat is Sinking, Group into!

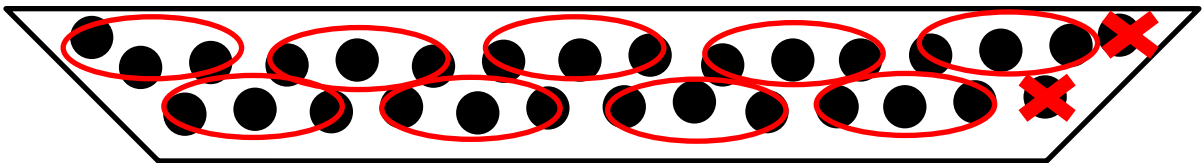

Group the dots into the specific number of dots. If there are extra dots that do not make the number of dots in each group, cross them out!

1. Into 2

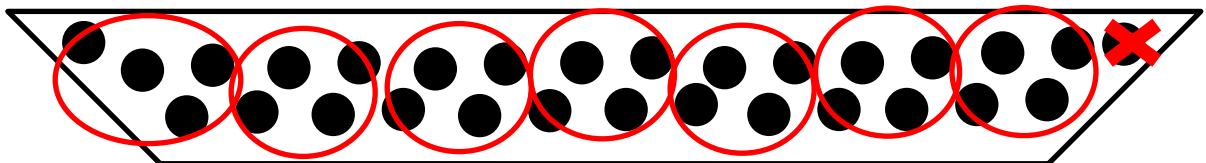

2. Into 3

3.

4. Into 4

5. Into 10
